Hi Cynthia,

Are you around Wed to discuss joint rollout? Will you have time yet today to talk after 4:00?

Mike

Mike, that's fine with me. I'm not sure whether Andrew will have a chance to get back to me today or not on the AOC.

Hi Mark,

I know you plan on being out this Wednesday, but we had planned on a rollout meeting for Notice of AOC. You okay if we have that this Wednesday? I think Cynthia and myself can handle this. Glencore was requesting.

Your thoughts?

Mike
